

Meet our Crew

And try their food

Angel runs our Deli department here at diversity and is a very integral part of our teams' success. She runs a tight ship and her passion, care and dedication are expressed in everything she does.

"Hello everyone, my name is **Angel Chan**. I have been with Diversity Food Services for almost 8 years now. I am originally from Hong Kong, where I became interested in culinary arts. There I worked with and learned from some great chefs, where I specialized in Asian foods. In 1980 I moved to Canada where I continued on my career in this trade. Here I also worked for and learned from some wonderful chefs.

The month of February I would like to introduce and prepare for you a Chinese house made sweet and sour ham with braised peppers and pineapple. This is an Asian dish that has become very popular in the western world, and will be available for the month of February."

You can buy our feature from us through our online grocery store at www.diversityfoodservices.com."
